

Exam SURvey - List of question

Plot No. 41, Phase II,
HITEC City, Hyderabad, TL 500081

Q. No. 1

Title

Mount Everest is the highest mountain in the world. ☐

Q. No. 2

Title

Which of the following countries are part of the G7? ☐ (Germany, Brazil, Canada, China, France, India, Japan, South Korea, UK, USA)

Who is the author of the famous novel "Pride and Prejudice"? (Select all that apply)

General Knowledge

checkbox

true

Jane Austen, Charles Dickens, F. Scott Fitzgerald, George Orwell

Which of the following cities are located in Europe? (Select all that apply)

General Knowledge

checkbox

false

Paris, Rome, Tokyo, London

Which of the following elements are noble gases? (Select all that apply)

General Knowledge

checkbox

false

Oxygen, Helium, Neon, Carbon

Who painted the Mona Lisa?

General Knowledge

radio

false

Leonardo da Vinci, Vincent van Gogh, Pablo Picasso, Michelangelo

Which planet is known as the "Red Planet"?

General Knowledge

radio

true

Mars, Venus, Jupiter, Saturn

Who wrote the play "Romeo and Juliet"?

General Knowledge

radio

false

William Shakespeare, George Bernard Shaw, Oscar Wilde, Jane Austen

What is the largest ocean in the world?

General Knowledge

radio

false

Pacific Ocean, Atlantic Ocean, Indian Ocean, Arctic Ocean

Who discovered the theory of relativity?

General Knowledge

radio

true

Which country is home to the Great Barrier Reef?

General Knowledge

radio

false

Australia, Brazil, Mexico, Canada

Who is the current President of the United States?

General Knowledge

radio

false

Joe Biden, Donald Trump, Barack Obama, George Washington

Which animal is known as the "King of the Jungle"?

General Knowledge

radio

false

Lion, Elephant, Tiger, Gorilla

Who invented the telephone?

General Knowledge

radio

false

Alexander Graham Bell, Thomas Edison, Nikola Tesla, Benjamin Franklin

The largest planet in our solar system is _____.

General Knowledge

text

true

The currency of Japan is _____.

General Knowledge

text

true

The first man to walk on the moon was _____.

General Knowledge

text

false

The Statue of Liberty was a gift from France to the United States.

General Knowledge

boolean

false

True, False

The Eiffel Tower is located in Rome.

General Knowledge

boolean

true

True, False

The capital of Canada is Ottawa.

General Knowledge

boolean

false

True, False

Which programming language is known for its versatility and is widely used for both web development and server-side scripting?

Technology

radio

false

Java, Python, Ruby, C#

Select the programming languages commonly used for mobile app development.

Technology

checkbox

false

Java, Python, Swift, Kotlin

HTML stands for Hyper Text Markup Language.

Technology

boolean

false

True, False

What is the full form of CSS?

Technology

text

false

Which of the following is a popular version control system used in software development?

Technology

radio

false

Git, SVN, Mercurial, CVS

Choose the types of cloud services.

Technology

checkbox

false

Infrastructure as a Service (IaaS), Platform as a Service (PaaS),
Software as a Service (SaaS), Database as a Service (DBaaS)

JavaScript is a statically typed programming language.

Technology

boolean

true

True, False

What is the purpose of a firewall in computer networks?

Technology

text

false

Which database model is based on a structure that allows the definition of data types, relationships, and constraints?

Technology

radio

false

Relational, NoSQL, Hierarchical, Object-Oriented

Select the components of a CPU.

Technology

checkbox

true

ALU (Arithmetic Logic Unit), GPU (Graphics Processing Unit), RAM
(Random Access Memory), PSU (Power Supply Unit)

Linux is an open-source operating system.

Technology

boolean

true

True, False

What is the purpose of an API (Application Programming Interface)?

Technology

text

true

Which protocol is commonly used for secure communication over a computer network?

Technology

radio

true

HTTP, FTP, HTTPS, SMTP

Select the types of cybersecurity threats.

Technology

checkbox

true

Malware, Phishing, DDoS (Distributed Denial of Service), Blockchain

IPv6 provides a larger address space compared to IPv4.

Technology

boolean

false

False, True

What does SQL stand for?

Technology

text

true

Which programming paradigm emphasizes the use of functions and avoids changing state and mutable data?

Technology

radio

false

Imperative, Declarative, Procedural, Object-Oriented

Select the front-end web development technologies.

Technology

checkbox

false

HTML, CSS, React, Node.js

Docker is a containerization platform.

Technology

boolean

true

False, True

Which type of network topology connects all devices in a linear sequence?

Technology

radio

false

Bus, Star, Mesh, Ring

Which organ is responsible for filtering and cleaning blood in the human body?

Biology

radio

false

Liver, Kidenys, Lungs, Heart

Select the primary components of the human circulatory system.

Biology

checkbox

false

Heart, Lungs, Blood, Liver

The human body has 206 bones.

Biology

boolean

true

False, True

What is the function of the respiratory system?

Biology

text

true

Which type of blood cells are responsible for oxygen transport in the bloodstream?

Biology

radio

false

Red blood cells, White blood cells, Platelets, Plasma

Which hormone is responsible for regulating blood sugar levels in the body?

Biology

radio

false

Insulin, Estrogen, Testosterone, Thyroxine

Which of the following is a common symptom of diabetes?

Biology

radio

true

Hypertension, Polyphagia, Osteoporosis, Asthma

Which imaging technique uses high-frequency sound waves to create images of internal body structures?

Biology

radio

false

X-ray, MRI (Magnetic Resonance Imaging), Ultrasound, CT Scan
(Computed Tomography)

Which type of diabetes is typically diagnosed in childhood and requires daily insulin injections?

Biology

radio

false

Type 1 Diabetes, Type 2 Diabetes, Gestational Diabetes, Prediabetes

Select the major components of the musculoskeletal system.

Biology

checkbox

true

Muscles, Bones, Cartilage, Liver

Select the types of white blood cells.

Biology

checkbox

true

Neutrophils, Lymphocytes, Erythrocytes, Monocytes

Select the types of vaccines.

Biology

checkbox

true

Live Attenuated, Inactivated, mRNA, Antibiotic

Select the organs of the digestive system.

Biology

checkbox

true

Stomach, Lungs, Liver, Small Intestine

The human heart has four chambers.

Biology

boolean

false

True, False

Vaccination provides immunity against diseases.

Biology

boolean

true

True, False

What is the role of the endocrine system in the body?

Biology

text

true

The human respiratory system includes the trachea and bronchi.

Biology

boolean

false

True, False

What is the purpose of an ECG (Electrocardiogram)?

Biology

text

false

Select the major components of the central nervous system.

Biology

checkbox

false

Brain, Spinal Cord, Liver, Peripheral Nerves

What is the purpose of the lymphatic system?

Biology

text

true
